# SFU-UBC COMPUTATIONAL MATH DAY

## JULY 10, 2026

The SFU-UBC Computational Mathematics day celebrates the vibrant applied and computational mathematics community of the Lower Mainland. Our keynote speakers will provide a snapshot of current trends in applied and computational mathematics. This event will showcase the state of the art, and presents an excellent networking opportunity for students and postdocs.

### Location

**Simon Fraser University**  
Harbour Centre  
515 West Hastings Street  
Vancouver, BC

Registration is free. Please register to confirm your attendance.

Register at  
[pims.math.ca](http://pims.math.ca)

### PROGRAM SPEAKERS

**DEANNA NEEDELL**  
PIMS Co-Director, Programs;  
Professor of Mathematics,  
University of British Columbia

**CHRIS BUDD**  
Professor of Applied  
Mathematics,  
University of Bath
